### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Friedman on 10/31/05.

The application has been amended as follows:

In claim 11, last line, insert: --foil—after: "external metal".

In claim 14, line 3, change: "first" to --external--.

In claim 19, line 1, change: "10" to --11--, and delete: "a".

The following is an examiner's statement of reasons for allowance: None of the references of record teaches or suggests the claimed method for forming contact pads on a substrate including etching the external metal foil layer using the selectively deposited conductive material as an etch mask.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
